

Club Rally to Marchwood Y C. 13/14 August 2005.

Despite a weather forecast of strong breezes and rain for Saturday, eight boats arrived at Marchwood, all berthing on the club pontoons before the heavy rain started to fall. The afternoon was spent sleeping, drinking, or socializing on various boats and by early evening the rain had cleared.

Twenty from the club Guildford joined the Marchwood members in their clubhouse for drinks and a 'Pub Grub' supper, all at very reasonable prices. We were made to feel very welcome and they were pleased to show us the new extension to the clubhouse, complete with inside toilets, which is nearly finished and is to be officially opened next month.

Sunday was dry and sunny, but still with a good breeze which made leaving difficult, blew us all down Southampton Waters but may not have been in the right direction for those heading for Portsmouth.

Boats attending:	Tramp Royal	Moon Wrasse	Autumn Storm
	Allegro	Classic Venture	Senitoa
	Cracker	Island Sula.
